

A Touch of Orange Day

Helen and Douglas House

On Friday 13th November we have decided to show our support for Children in Need by raising money for a specific local children's charity. Our donations this year will go to Helen and Douglas House. They provide support for families with a terminally ill child, as well as round-the-clock care.

To raise money, we will be holding a 'Touch of Orange Day'. We would like all children to come to school wearing something orange – this could be as small as a pair of orange socks or an orange t-shirt.

Please pay your £1 donation for the day

via Parent Pay.

Thank you for your continued support.
