1<sup>st</sup> October 2020

Dear Parent/Carer

## Home Reading

Thank you for your patience whilst we have been getting our heads around the implications of Covid-19 on home reading resources.

We are now confident that the risk of transmitting the virus through sharing books is significantly low and so we aim to start sending home reading books across all year groups over the next two weeks. However, we will still be putting in steps to ensure that all home reading books can be used safely by all our children.

Books will be changed once per week and the details of how this will work for your child's year group will be communicated to you in your child's reading diary. This will enable us to quarantine books effectively. In year groups where children are reading much shorter texts, they may be sent home with two books each week.

Please can we request that EYFS and KS1 book bags are only used to transport reading books, and not drinks and snacks. This will help us to keep our books in excellent condition ready for other children to use. Thank you!

As a school, we are investing a significant amount of money into new home reading books which will be book banded across the school. We are awaiting this order to arrive – please keep your eyes peeled for a new text coming home with your child soon.

Thank you for your continued support,

Jane MacLachlan

**Headteacher**
