12th November 2020

Injury Minimization Programme for Schools (I.M.P.S.) – Friday 13th November 2020

As part of the Year 6 Science and RSE curriculum, the school have enrolled on the Injury Minimization Programme for Schools (I.M.P.S.) www.impsweb.co.uk and your child will be taking part in virtual sessions on Friday morning. I.M.P.S. empowers young people to take personal responsibility for their own risk management and equips them with the skills to cope in an emergency situation.

The session will include watching an interactive DVD, concentrating on injury prevention and demonstrating basic first aid procedures. They will also be taught emergency life skills in a sensitive and age-appropriate way. All children benefit positively from the I.M.P.S. Programme and find it a valuable, stimulating and rewarding experience.

Please note that due to the IMPS sessions, we will not be able to do PE on Friday.
