Dear Parent/Carer

Sharing Learning Journals with Parents – EYFS 2020-21

Due to the Covid-19 pandemic and the subsequent restrictions on social distancing, we are regrettably unable to have parents into school as we normally would. This means that our usual way of sharing children's learning journals with you weekly cannot happen for the foreseeable future.

Therefore, we will be emailing you **once per half term** with a selection of evidence from your child's learning journal. This will enable you to gain an insight into your child's experiences at school, as well as supporting you in scaffolding conversations with them about their learning.

We will be emailing a number of parents each week to make this manageable. We hope that you will find this useful. As soon as we are able to, we will revert back to our usual "Toasty Fridays", where you will be able to spend some time in the classroom with your child, sharing their learning journal with them and gaining an insight into their experiences in school.

WOW Certificates

We will be sending home WOW Certificates to enable you to contribute to your child's learning journal. You are welcome to use these to document any achievement your child has had at home – this could be something like learning to ride their bike, tying up their shoes, zipping their coat, or demonstrating PSED skills like sharing, taking turns, thinking of others or showing an awareness of the impact of their behaviour on those around them.

We will pop blank certificates into book bags. Please send them back in, as and when you have filled them in.

If you have any questions, please speak to a member of the EYFS Team.

Kind regards,

Mrs Emma Whitney

EYFS Lead
