

## Newsletter 02.10.20

### **Virgin Mini Marathon**

Mrs Redding has registered our school for the Virgin Mini marathon. All classes will be taking part and the aim is for each child to run 2.6 miles over the next two weeks during the school day. The run will be done over several sessions. Virgin want as many children to take part as possible this year to feel the benefits of an active lifestyle. As we know, being physically active improves health and fitness and supports good mental health and well-being – all of which is very important to us at Glory Farm Primary School. There are 54,000 medals to be given out nationally and we are hoping that some of our children will be able to receive one of these.

### **Parents' Evenings**

Please be aware that information about these and how they will work will be shared with you on Monday 5<sup>th</sup> October. They will take place w/b 12<sup>th</sup> October on Monday to Thursday evening.

### **Year Group Pages/Website**

The year group pages on our website have been updated. Please visit these pages regularly for news and updates on your child's learning.

### **Celebration**

We would really like to celebrate any successes that the children achieve at home within school as well. There is a notice board in our school entrance that we would like to display photos of these achievements. If you have any amazing news that you would like to share with us, please do send the photograph and a short explanation to the school Office ([office@gloryfarmschool.co.uk](mailto:office@gloryfarmschool.co.uk)).

### **School Portraits**

We are pleased to announce these will still go ahead and are planned for Thursday 15<sup>th</sup> October. Due to the restrictions of Covid 19, there will be no opportunity for have sibling shots and children will be stood up for their photograph. If Thursday is a usual PE day for your child, please note that this will not happen so please ensure your child is wearing full school uniform.
