

Newsletter 16.10.20

School Portraits

The children all looked really smart on Thursday as their official school photograph was taken – thank you for that. We hope you are pleased with the photographs.

Parental Survey

Please ensure that you complete the online communication survey which has been sent to you about how we communicate with you to ensure you are up to date with everything happening in school. You can find a link for this survey on the App, Facebook and Website.

Christmas Plays

We are hoping to organise either a virtual live performance or more likely, a recorded one. However, we need to ensure that we do have all the permissions for this from yourselves as parents. If you have not completed a GDPR form, please contact the School Office as a matter of urgency. It would be a shame if your child was not included in this because we had not received your permission.

Website

Our website is now populated with lots of information about our school – please do take time to have a look. We plan to give you some pointers on where to go for certain information over the next few weeks. This week, have a look at our curriculum pages – this gives you details about what your child will be learning during their time at Glory Farm Primary School:

- ***Our Curriculum***
 - ***Our Curriculum Vision***
 - ***Subject Visions***
 - ***Individual Subject Curriculums***
 - ***The Arts***
 - ***Home Brilliance*** (this is yet to be populated with celebrations of home learning – watch this space)

Free School Meals / Pupil Premium

If your circumstances have changed and you think you may now be eligible for Pupil Premium you can now find a link on the App for an application form. Should you have any queries relating to this, please contact the office.

Nasal Flu

If you would like your child to have the Flu vaccination, please remember to sign up for this via the App.

“Learning together to ensure every child is the best they can be”
