

Nursery Newsletter
Spring - Term 3 – 2021

We hope you have all enjoyed your Christmas break and are ready to start a new term at Nursery.

We are looking forward to seeing you all again and getting to know our new starters.

Topic Overview for Spring - Term 3

Our topic this term will be Wonderful Winter!

We will be focusing on arctic animals, seasonal change and how to look after the environment. .

Area of Learning	Key Focus
PSED	Looking after ourselves and the environment.
Physical Development	Changing speed and direction when moving.
Literacy	Looking at the features and structures of stories.
Maths	Learning shape properties and using them to construct.
Understanding of the World	Looking at different animals and their habitats.
Expressive Arts and Design	Exploring and changing the sounds made by different instruments'.

Parental engagement

We will be emailing you once per half term with a selection of evidence from your child's learning journal. We hope you will find this beneficial.

Don't forget to fill out and send back any WOW moments you would like to share with us.

Nursery will have PE on a Wednesday.
Please can children come in dressed for
PE and wearing trainers.

WE LOVE TO GET MESSY!

All children should have a full spare set of clothes in nursery,
along with a pair of wellies (named) which can stay in school.

If you have already sent these in, thank you!

We have stored them in nursery to save clothes being ferried
backwards and forwards between home and nursery.

If you are yet to send in a spare set of clothes, please can we
ask that this is done ASAP.

Thank you.

Independence

Please can we ask that at home you are practising with your child,
how to put their coat and shoes on independently. This will help the
children throughout the day.

It is great to see that some children have already been practising
this at home.

Thank you.

Library

On a Tuesday the children are able to choose a library book to bring home and share with you. The Books need to be returned every Tuesday so they can be changed. We also request that the books are kept in the plastic zip wallet to protect them.

Please can we ask parents to make sure all items belonging to your child are clearly named. Don't forget to name their water bottles and snack pots.

CRAFTS

&

COOKING

We would really appreciate a 50p contribution each week into our Nursery Donation Pot. This money is used to buy ingredients for cooking activities and foods to support our topics. It is also used to buy ingredients to make fresh playdough each week. Thank you for your continued support.
