20th October 2020

Dear Parents/Guardians

At Glory Farm Primary School, we place high value on our Life Education curriculum. We believe it gives our children the knowledge, understanding, attitudes and practical skills to live healthy, safe and fulfilled lives, both now and in their future.

The Department for Education has released statutory guidance surrounding Relationships, Health and Sex Education (RSE) and all schools are required to comply with the guidance. This guidance can be found at:

[Relationships and sex education \(RSE\) and health education - GOV.UK](#)

In light of this guidance, we have reviewed our Life Education curriculum, which encompasses RSE, and we have written a policy to ensure our RSE provision is appropriate for our children based on their:

- Age
- Physical and emotional maturity
- Religious and cultural backgrounds
- Special educational needs and disabilities

As part of this process, our RSE policy and supporting documents will be available for all parents and carers to access on our website, via the 'Parents' tab, from **Friday 23rd October** until **Thursday 5th November**. Please read these documents and voice your opinions or ask any questions via the short Google Form, which will also be found in the 'Parents' tab on the website. Your questions will then be answered during a virtual Q&A meeting on Thursday 12th November, using Google Meet.

We are looking forward to hearing your feedback and we encourage you to engage with this process with an open mind. Thank you for your continued support.

Kind Regards

**Jane MacLachlan**  
Headteacher
