11th November 2020

Dear Parent / Guardian,

Reminder to keep ourselves safe

As you know, our school's site is very busy with pedestrians and traffic at the beginning and end of the school day. There are moving vehicles on site as we are walking through to the different entrance points both in the morning and at the end of the day. We are liaising with Bardwell School to reduce the number of vehicles on our site but we also have a responsibility as a school community too. We would ask you to be mindful when you are walking with your children and whenever possible, please stay on pavements and ensure that your child stays with you and doesn't run off. These are very difficult times and we still need to remember to meet health and safety precautions as well as following Covid 19 social distancing guidance from the Government. Health and Safety should always come first.

With this in mind, although dogs are not allowed on our school's site, members of the public do walk through our car park and as it is a public right of way, we have no control over dogs in these areas. We are sure that you do this anyway, but can we just remind you that it is important that you clear up any dog mess that your dog should leave.

Many thanks for your continued support.

Mrs Jane MacLachlan
