

Year 1/2 Newsletter

Summer Term 6 2021

Welcome back!

We hope you have all had a lovely half term! We cannot believe it is already the last term of the year—time flies when you're having fun! We have lots of lovely things planned this term including Healthy Choices week.

Term 6 Curriculum

This term's topic is called 'All Abroad'. We are going to be exploring holidays through the years and looking at the first flight. We will be exploring habitats and creating our own for animals that we are going to invent! We are also going to be inventing and building our own machines!

Upcoming dates:

Sports week—w/c 21st June
Theatre workshops—6th July
Transition afternoon—6th July
End of term—21st July 3pm

Reading books

We ask that you try and read with your child three times a week. Please ensure that the yellow books come into school everyday. Thank you.

A few points to note...

- As the weather (hopefully!) warms up please ensure your child has a sun hat in school and sun cream is applied before school.
- Please provide your child with a healthy morning snack (fruit is provided for the afternoons) in a named tub and a named water bottle
- If someone else is picking up your child please ensure you let the office know to avoid any confusion at the end of the day. Thank you.
